

June 2020

**We cannot believe that it is June...the last month of the Nursery School Year for all the children, before the Summer Holiday and for some, the start of Primary School!**

#### **Theme -**

Our theme this month is '**On the Move**'. We will be learning about Summer Holidays and about moving on to Primary School too!

We will be talking about seasonal changes and learning about suitable clothing to wear and take on holidays with us. We will also be trying to help you to prepare your child for transitioning to Primary 1 by reading stories, talking about their new school and suggesting activities you could incorporate into your play with them.

**Stories** – We will be reading stories about our theme, like 'Ebb and Flo', 'Topsy and Tim -Starting School', 'I am absolutely too small for school' and the 'Rainbow Fish' series. Please keep a look out for other related stories at home or online.

#### **Colour / Shape–**

This month we will be revising all the colours and 2D shapes we have been learning about this year. Please continue to talk about colours and shapes in their environment!

#### **Nursery Fund**

Thank you for your contributions this year. For parents who had paid Nursery Fund in advance, for the period beyond the date when Nursery closed due to the pandemic, we will process refunds and make these available for you to collect from Nursery. We will also be refunding any dinner money that is owed.

#### **End of the Nursery School year arrangements**

While we recognised and supported the need for the closure in March this year due to the health crisis, we as a staff are so sad that the Nursery Year ended so prematurely for all of the wee ones in our care. Please be assured that we have continued to work during this time, on the activities we have sent home for home learning, as well as on information that we can share to make your child's transition into Primary School or their new setting as smooth as possible. We have completed your child's Profile and their transition reports, and they are here in Nursery, along with some of their creations!

We plan to make these available to you before the end of the School Year. We also have received some class photographs from orders that were placed prior to lockdown.

We are still working on planning the logistics of how and when we will open to accommodate the collection of these, to enable us to comply with social distancing requirements, but will let you know via email when we have finalised arrangements.

The Staff and Governors of Dunclug Nursery School would like to take this opportunity to thank parents and friends of our Nursery, for their support throughout this Nursery School year.

We hope that you and your family have a safe and enjoyable Summer holiday, and would like to wish your child every success as they continue their learning journey, into Primary School, a new setting, or back with us next year.

Kind Regards,  
Pamela Muir – Principal

### Birthday Boys and Girls

Happy Birthday to all of these special boys and girls who will be celebrating their birthday this month and during the Summer Holidays ...

#### JUNE

**Red Class** – Charleigh  
Scarlett  
Maisie  
Blaise  
Sonny

**Blue Class** – Khaleessie
